High School Consumable/Expendable Supply Payment Schedule 2014-15

The following list of approved fees is approved for publication in course selection documents and student handbooks for the applicable academic year. Mandatory fees may not be charged for participation in curricular or co-curricular activities unless those fees are published in this schedule. The following statements should accompany any published list of required fees. Miscellaneous supplies and materials such as paper, pencils, and novels will still need to be provided by the parent..

- Co-curricular activities such as band, athletics, choir, and academic teams may also require fund-raising activities..
- Mandatory fees will be waived for students who qualify for free or reduced lunch upon written request from a parent or guardian..
- Other parents who are concerned about fees or who need to set up a payment plan should request a conference with the principal..
- Where multiple fees might apply to the same course, such as an AP science class, the higher of the applicable fees will be the only one charged.

General Fees

Activity card (optional).....	\$60.00
Locker fee (optional, includes regular and PE locker if applicable).....	\$10.00
Parking fee (optional).....	\$20.00
PSAT exam fee (optional).....	\$14.00
Report card mailing fee.....	\$6.00
Schedule change request.....	\$20.00
Technology Device Insurance & User Fee (optional, includes summer rental, per year)....	\$50.00
Transcript fee (alumni only).....	\$5.00
(Alumni must also complete a personal information release form)	

Academic Course Fees

Advanced Placement Exam Fee (Per Course).....	\$89.00
Additional lab and supply fees may also apply. See the course guide for course specifics.	
International Baccalaureate Program (per year, 11th and 12th).....	\$300.00
<i>Applies to students taking IB courses and includes all IB student and exam fees.</i>	
Science lab fee.....	\$25.00
(Excludes Active Physical Science, Biology, Environmental Science, and Earth Science)	

Hoover High School 2014-2015

Elective Course Fees

Band, jazz ensemble.....	\$40.00
Band, marching (includes Aux Dance & Aux Flags).....	\$180.00
(Includes course fee, uniform rental, and band camp participation)	
Choir, piano keyboarding.....	\$25.00
Dance, all courses except Dance Team.....	\$25.00
Drivers Education.....	\$30.00
Engineering Academy.....	\$25.00
Family Consumer Science, Foods & Nutrition	\$25.00
Health Science Internship.....	\$60.00
Law Academy.....	\$15.00
Sports Medicine (1st year and Advanced).....	\$15.00
Strength & Conditioning (Athletes & Non-Athletes)	\$15.00
Team Sports	\$15.00
Theater, all courses.....	\$15.00
US History Through Film.....	\$25.00
Visual Art, Digital Photography and Advanced Digital Photography.....	\$80.00
Visual Art, Photography.....	\$125.00
Visual Art, all others.....	\$50.00

COOPERATIVE EDUCATION

Cooperative Education

Cooperative Education Seminar/Work-Based Experience-First Credit

Cooperative Education Seminar/Work-Based Experience-Second Credit

18 weeks/1 credit

Teacher Approval Needed

As a cooperative program between the school and the business community, students receive credit for classroom activities as well as for their work experience through the Cooperative Education. See back of catalog for coop application/approval form. CTE courses must be aligned with career objective.

THE ARTS

*These courses meet the 0.5 (½ credit) Fine Arts requirement for
Graduation Cohorts 2015 and 2016.*

THEATRE ARTS

Number	Course	Credit	Fee	AP Exam Fee
280071	Theatre Level I (Beginning Drama)	1.0	\$20

- **Approval/Audition needed**

THE ARTS

THEATRE ARTS

Theatre 1 (Beginning Drama)

18 weeks/1 credit

Students will learn theatre history, basic acting technique (including stage directions), basic staging concepts, and production components. Topics such as pantomime, oral interpretation, readers' theatre, and vocal presentation will be studied. Students will participate in competition and perform one act plays for an audience.

Theatre 2 (Intermediate Drama)

18 weeks/1 credit

Prerequisite: Theatre 1

Focuses on the performance aspects of drama such as improvisation, monologues, duets, and ensemble acting. Topics such as staging techniques, pantomime, reader's theatre, and technical theatre will be covered in greater detail with participation in a full length production.

Theatre 3 (Advanced Drama Fall)

18 weeks/1 credit

Prerequisite: Intermediate Drama and teacher approval

Advanced acting techniques and includes directing, dramatic literature study, and technical theatre components. Students will participate in competition and perform a full length play.

Theatre 4 (Advanced Drama Spring)

18 weeks/1 credit

Prerequisite: Intermediate Drama and teacher approval

Advanced acting techniques and includes directing, dramatic literature study, and technical theatre components. Students will participate in competition and perform a full length play.

Theatre, Design Tech (Technical Theatre)

18 weeks/1 credit

Design, implement, and execute lighting and sound designs using a variety of lighting and sound systems. Students will develop costume, scene, and makeup designs for ongoing productions as well as individual portfolios.

Symphonic Band - Spring

18 weeks/1 credit

Prerequisite: audition and participation in Marching Band

This is a performance-based class. Students must audition for placement in this group in the spring of the previous year. Musical knowledge is required. Additional fees will be paid to the Band Boosters in order to cover the cost of transportation, uniforms, and equipment. Fundraising opportunities will be available to cover the fee paid to the Band Boosters.

Percussion Marching Band Fall

18 weeks/1 credit

Prerequisite: audition and summer band camp

This is a performance-based class for students who play percussion instruments. Additional fees will be paid to the Band Boosters in order to cover the cost of transportation, uniforms, and equipment. Fundraising opportunities will be available to cover the fee paid to the Band Boosters. Requirements: purchase of uniform, rehearsals and performances outside regular school hours. **This course satisfies the state course of study for the LIFE PE requirement.**

Percussion Indoor Drum Line Spring

18 weeks/1 credit

Prerequisite: audition required

This is a performance-based class for students who play percussion instruments. Additional fees will be paid to the Band Boosters in order to cover the cost of transportation, uniforms, and equipment. Fundraising opportunities will be available to cover the fee paid to the Band Boosters. Requirements: purchase of uniform, rehearsals and performances outside regular school hours. **This course satisfies the state course of study for the LIFE PE requirement.**

Instrumental Techniques & Music Theory

18 weeks/1 credit

Students will learn reading, writing and structure of music. Students will also have individualized practice time on the instrument of their choice. Since the class is both individualized, and is taught in small groups, there are no prerequisites for this course. **Students must provide their instruments.** This course can be repeated as determined by the teacher.

AP Music Theory

18 weeks/1 credit

This Advanced Placement course is a high level study of music theory, composition, and aural skills. Prior participation in an instrumental or vocal performing organization, OR prior private music lessons is strongly encouraged. **Participation in the national AP test is a mandatory component in the rigor of this course. This course does not meet Fine Art requirement.**

ENGLISH

Graduation requirements: Four credits to include the equivalent of English 9, English 10, English 11, and English 12.

English 9

18 weeks/1 credit

English 9 provides students with a variety of learning activities to contribute to the understanding of the various processes of writing, an appreciation of selected literature, a mastery of basic grammatical concepts, and a development of reading and comprehension skills, and development of critical thinking skills as demonstrated through analytical writing. This course satisfies the state requirement for one of the four English credits needed for graduation. Summer reading is required. The summer reading list is provided in the Spring Semester.

English 9 PreAP

18 weeks/1 credit

Honors Credit awarded

This accelerated paced course will help prepare students for Advanced Placement English Language or Advanced Placement English Literature. English Honors provides students with experiences to enrich and expand their acquisition of grammar and communication skills, appreciation of literature and selected classics, organization and presentation of ideas and concepts, and development of critical thinking skills as demonstrated through analytical writing while cultivating a variety of individual writing styles. Summer reading is required. The summer reading list is provided in the Spring Semester.

English 10

18 weeks/1 credit

Prerequisite: English 9

Course covers Early American Literature (pre-1900) through reading, writing, grammar, and vocabulary activities. In addition, students will interact with expository texts frequently. This course fulfills the requirements needed for post-secondary education including college preparation. Summer reading is required. The summer reading list is provided in the Spring Semester.

English 10 PreAP

18 weeks/1 credit

Prerequisite: English 9

Honors Credit awarded

This accelerated pace course covers Early American Literature (pre-1900) through reading, writing, grammar, and vocabulary activities. In addition, students will interact with expository texts frequently. This course provides skills for literary analysis of readings, as well as advanced composition that will prepare students for Advanced Placement English Language or Advanced Placement English Literature. Summer reading is required and students will be tested during the first week of the semester. The summer reading list is provided in the Spring Semester.

Driver and Traffic Safety Education

9 weeks/0.5 credit

Driver's Ed is a 0.5 credit elective for students who will be 15 years of age before taking the course. Students must have their learner's permit prior to the first day of class or will be rescheduled and assessed a \$20 scheduling change fee. **The learner's permit is required the first day of class.**

Lifelong Individualized Fitness Education P.E., LIFE

18 weeks/1 credit

The focus of this state required course is health enhancing physical activity. LIFE provides the knowledge for a lifetime of healthy living. Through the LIFE course students learn to apply the various aspects of fitness and to assess their own fitness levels. Students are required to develop and maintain an individual level of fitness that forms the foundation for a healthy future. LIFE provides students with the knowledge and ability to construct and implement a lifelong plan for physical activity. LIFE uses a variety of health enhancing physical activities as the vehicle for reinforcing and applying fitness components and principles. **This course satisfies the state course of study for the LIFE PE requirement.**

MATH

Graduation requirements: Four credits to include the equivalent of Algebra 1 and Geometry. To receive a diploma with an advanced academic endorsement, the courses must include Algebra 2 with Trigonometry.

NOTE: The Graduating Cohort of 2016 and beyond are required to pass Alg II or Alg II with Trigonometry, or its state approved equivalent.

Algebra 1A and Algebra 1B

Each course is 18 weeks/1 credit

This two-part course sequence satisfies the Algebra 1 requirement for graduation. Content in this course, along with Algebra 1B, will be assessed as part of graduation requirements. Calculator use is encouraged. Algebra 1A and Algebra 1B counts as one full credit each.

Advanced Placement Calculus BC–Spring

18 weeks/1 credit

Prerequisite: Calculus PreAP

This Advanced Placement course is accelerated in rigor and pace. Advanced Placement (AP) Calculus BC is a continuation of Calculus PreAP. The primary focus of the course is preparing students for the AP Calculus BC exam. Topics covered include transcendental functions, techniques of integration, applications of integration, and infinite series. Also, the material from Calculus PreAP will be reviewed extensively in preparation for the BC exam. Students are encouraged to provide graphing calculators for use in this course. Calculus PreAP should be taken in the fall of the school year that a student is taking AP Calculus BC. College credit at most universities may be earned for Calculus I and II by scoring a 3, 4, or 5 on the AP Calculus BC Exam. **Participation in the national AP test is a mandatory component in the rigor of this course.**

Advanced Placement Statistics

18 weeks/1 credit

Prerequisite: PreCalculus

This Advanced Placement course is accelerated in rigor and pace. This course introduces students to the major concepts and tools for collecting, analyzing, and drawing conclusions from data. Students are exposed to four conceptual themes: observing patterns by exploring data, deciding what and how to measure in planning study, producing models using probability theory and simulation, and making statistical inferences from models. Students should expect an intensive course requiring the use of a graphing calculator. There will be applications of concepts through written work. A TI-83, TI-84 or NSPIRE will be utilized in this course. **Participation in the national AP test is a mandatory component in the rigor of this course.**

SOCIAL SCIENCES

Graduation requirements: Four credits to include the equivalents of World History and Geography, US History I: Beginnings to the Industrial Revolution, US History II: the Industrial Revolution to the Present, Government and Economics.

World History: 1500 to Present (Grade 9 Course)

18 weeks/1 credit

Emphasis is placed on geographic impact, development of civic knowledge/responsibilities, and emerging economic systems 1500 to present.

Advanced Placement World History

18 weeks/1 credit

Recommended A or above in prior Social Sciences/summer work required

Accelerated in rigor and pace, this course develops a greater understanding of the evolution of global processes and contacts, in interaction with different types of human societies. This understanding is advanced through a combination of selective factual knowledge and appropriate analytical skills. The course highlights the nature of changes in international frameworks and their causes and consequences, as well as comparisons among major societies. Strong reading comprehension and critical thinking skills should be highly developed. Participation in national AP test is a mandatory component in the rigor of this course.

United States History I: Beginnings to the Industrial Revolution (Grade 10 Course)

18 weeks/1 credit

Prerequisite: World History: 1500 to Present

Studies critical issues and events in United States history from Colonial America through 1900. Studies will include the changing social, political, economic, and cultural forces at work within the nation.

600551	AAS: Elective-9	1.0
600552	AAS: Elective-10	1.0
600553	AAS: Elective-11	1.0
600554	AAS: Elective-12	1.0
600001	Adaptive Physical Education	1.0

Courses above are for students with significant cognitive disabilities earning core credit through Alternate Achievement Standards (AAS), which are aligned with the Alabama Course of Study, and being assessed through the Alabama Alternate Assessment (AAA).

WORLD LANGUAGES

Latin 1

18 weeks/1 credit

In this course students will begin the study of the Latin language and Roman culture and its influence on the cultures of the Western world. This course will focus on the skills of reading, grammar, and writing using basic vocabulary expressions and beginning grammar concepts. The course will allow students to communicate, both written and verbally, at a novice level, while exploring the target culture. Students will also gain a better understanding of their own language and culture in order to participate in the global community.

French 1, German 1, Spanish 1

18 weeks/1 credit

In this course students will progressively acquire the four basic language skills of speaking, listening, reading, and writing using basic vocabulary expressions and beginning grammar concepts. The course will allow students to communicate at a novice level, while exploring the target culture. Students will also gain a better understanding of their own language and culture in order to participate in the global community.

Madison County High Schools and the Career Technical Center FEE SCHEDULE

No fees can be charged for courses required for graduation. Students that qualify for the free/reduced lunch program may apply to have fees waived. Waiver forms are available in each high school office. Fee due dates are determined by the local school. (Contact your local school or the Career Technical Center for the exact dates).

(See page 81 for Fee Schedule for Career Technical Courses)

SPANISH FORT HIGH SCHOOL

2013-2014 Registration Information

****Registration for all students will take place online this year.****

Online Registration: June 17 – July 12 ONLY

Instructions for completing the online process were enclosed with students' fourth quarter report cards.

Online registration will be available from June 17 – July 12 only. Please make every effort to complete your child's registration during this time. (Any student who does not complete online registration will need to complete a full packet of forms during on-campus schedule pick-up.)

All students should report to campus on the date/time below to pick up schedules and other items. Students who have not completed online registration will also receive registration forms to complete.

Seniors: Monday, Aug. 5 (8:30am-10:30am)

Sophomores: Wednesday, Aug. 7 (8:30am-10:30am)

Juniors: Tuesday, Aug. 6 (8:30am-10:30am)

Freshmen: Thursday, Aug. 8 (8:30am-10:30am)

*Make-up time for the above events will be Monday, August 12, in the office from 8:30am -10:30am.

FEE PAYMENT: SFHS will also offer online fee payment this year. (Individual class fees will be paid to classroom teachers after school begins.) A link to access the fee payment process will be provided at the end of the online registration process. If you do not wish to pay fees online, a mail-in fee payment statement is provided below.

STUDENT PARKING: Forms and information are available on the SFHS website: www.spanishforttoros.org. The deadline to submit parking for priority consideration is July 11.

PTA MEMBERSHIP & APPAREL: Order forms and information enclosed separately.

**THIS SECTION IS PROVIDED FOR THOSE PARENTS WHO DO NOT WISH TO TAKE ADVANTAGE OF
ONLINE FEE PAYMENT.**

****PARENTS PAYING ONLINE SHOULD DISREGARD THIS SECTION!****

Please detach this portion of the form and return with payment to SFHS, ONLY if not paying online.

(Keep top portion of form for future reference)

Student Name: _____ Grade _____

Parent/Guardian: _____ Check # _____ Money Order _____

(Do not mail cash.)
